Block note

The billboard features a large, central image of a modern, multi-story building under construction at dusk. The building's facade is illuminated, and its structure is visible. In the foreground, a person stands on a cracked, dusty street, looking towards the building. The surrounding cityscape includes other buildings and a clear sky with a hint of sunset. The text 'نبني مستقبل اساسة الجودة' is written in Arabic in the top right corner. The Abou Samra Group logo is positioned in the bottom right corner of the billboard.
